

Reach students and Parents where they are: Remind

- Is a safe, free way for teachers to text message students and keep in touch with parents.

<https://www.remind.com/>

Create a digital class - 1

1. Click "+" symbol

Create a digital class - 2

1. Type your Class Name
2. A unique code which can be used by parents or students to join the class
3. Select that option if you want your class to be public
4. Select that option so only people older than 13 can join your class
5. Click "Create Class" when your class is ready

Create a class

Edit icon

Class name

 1

Class code ?

 2

Anyone in this class can start a Chat

3

I will only message people 13 or older

It's OK if students are under 13; we'll ask them for a parent's email to keep everyone in the loop.

4

Create class

Send An Avouchment to your Class

The screenshot shows the FUNecole interface. On the left, under 'CLASSES I OWN', the 'Computer' class is selected. Below it, under 'CLASSES I'VE JOINED', there is a 'Join a class' button. On the right, the user profile for 'Computer @scharala' is shown. The main area displays a 'To:' field with 'Computer' selected and a 'Select classes' dropdown. Below this is the 'Exams' section. At the bottom, there are two options: 'Attach file' and 'Schedule', followed by a 'Send' button and a notification count of '135'.

1. Select your Class you want to send an announcement
2. Write your announcement you want to share
3. Click there to attach any file to your announcement
4. Click there to schedule a day on your announcement

Join Classroom as Student or Parent

1. Type the Class Code
2. Click The Blue Button

Find your class

Class code

@ @scharala x

Join S. Charalambous' Computer

3. Type Your Email Address
4. Click "Enter"
5. Confirm your Verification Email

Sign up for scharala.
