Create a digital classroom

Open a new room

Pick a name

MicrosoftWord **1** ✓

Keep the room open for

one week **2** ▾

Who can join?

- Anyone **3**
- Signed-in users
- My School

Open your room **4**

1. Write a name for your classroom .
2. Select for how long you want your room open.
3. Select who can join that classroom
4. Click "Open your room"

Click **Done** and your Classroom is ready.

Select your nickname

Nickname:

Maria

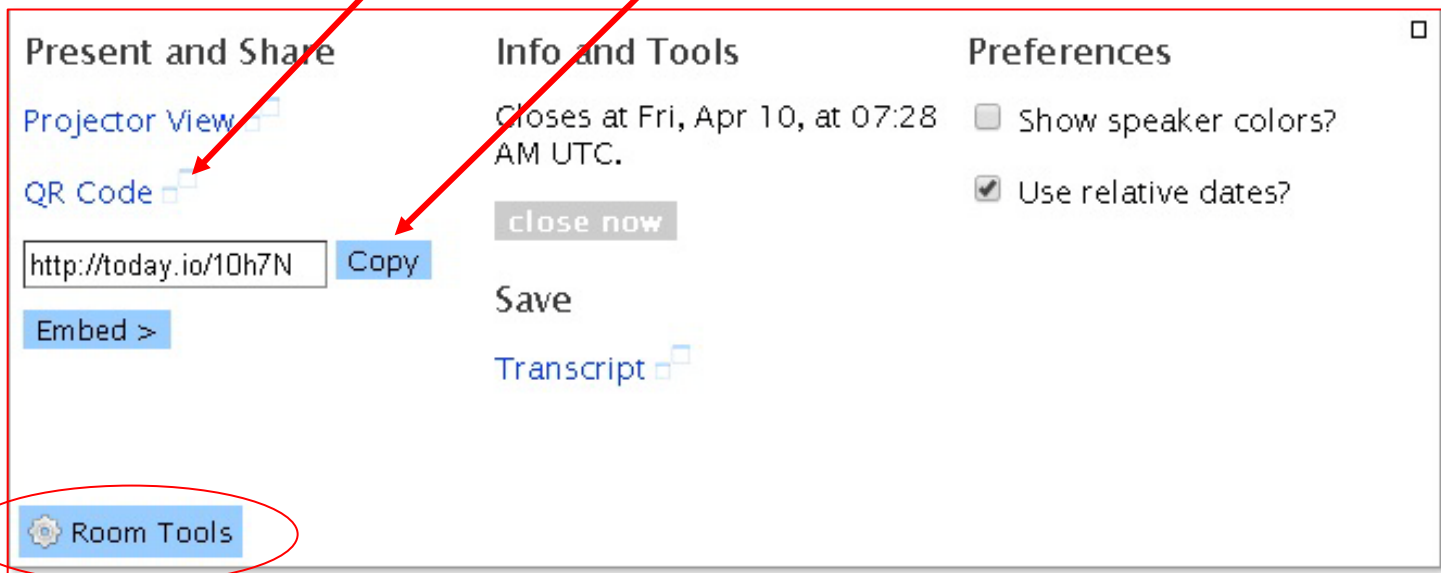

Join

1. Write your Nickname.

2. Click Join.

Share your classroom

1. Click  Room Tools
2. Select the way you want to send the link of your room to your students. Select between **QR code** or **Copy** the link and send it (e.x. via email)

The screenshot shows a 'Present and Share' window with three main sections:

- Present and Share:** Contains 'Projector View', 'QR Code', a text input field with the URL 'http://today.io/10h7N', and an 'Embed >' button.
- Info and Tools:** Displays 'Closes at Fri, Apr 10, at 07:28 AM UTC.', a 'close now' button, a 'Save' button, and a 'Transcript' button.
- Preferences:** Includes two checkboxes: 'Show speaker colors?' (unchecked) and 'Use relative dates?' (checked).

Red arrows point from the text 'QR code' and 'Copy' in the instructions to the corresponding buttons in the interface. A red circle highlights the 'Room Tools' button at the bottom left of the window.

How to create table in
Microsoft Word 2013?

2

Say

3

1. When students are going to join the room, they have to write their nickname also.
2. Then they have to write their message (No. 2)
3. Click "Say" (No. 3).

Communication between teacher and students

Listen

1) Click Insert 2) Click Table 3) Click Insert Table
